Distribution List

**PACIFIC REGION FAMILIARIZATION
GLIDING SCHEDULE – TRAINING YEAR 2009/2010**

Reference: Pacific Region Flying Orders

1. The enclosed schedule details the gliding schedule for Pacific Region. It grants authority and directs the squadrons to participate in the scheduled gliding activities. If support is required, a CAP shall be submitted to RCSU (Pac) attention SO2 Air. If a squadron must cancel their scheduled flying session, the SO2 Air at HQ RCSU (Pac) is to be informed immediately and provided with a complete explanation; info copies are to be sent to the D/RCA Ops O and to the appropriate Gliding Wing Operations Officer (GW Ops O).
2. This schedule is based upon the individual cadet squadron quotas at the time the schedule was created.
3. Squadrons are encouraged to make maximum use of their opportunity to glide, as it supports many of the goals of the Air Cadet Programme, including promoting physical fitness and developing leadership.
